Questions To Be Addressed

- What are the demographic contours of interfaith life in 2008?
- What are the significant pastoral challenges and opportunities that pastors face in interfaith relations?
- What are the ways that pastors can and should prepare themselves for on-going and increasing interfaith relationships?
- What do our chaplains, who are trained and experienced in interfaith relations, have to teach us?
- How do we help our members to wrestle with the theological questions generated by interfaith relations?

Mr. Peter Makari
